5. SECTION 248

[\(24-2905-AN\)](#) 45-Day advance submission of Silver Silo Solar, LLC for a 500kW group net-metered solar array in North Clarendon, Vermont

Tom Garden from Silver Silo Solar presented on his project for a 500kW group net-metered solar array. The location is near the intersection of Alfrechia, Middle, and Moulton Roads. Designated a preferred site by the town in late 2022 and by the RRPC in early 2023. No impacts to prime agricultural soils and away from a flood zone. The town expressed concern about viewsheds and the developer will be implementing a landscape mitigation area along Middle Road. Garden is requesting letter designating a preferred site by the RRPC. Sarah Pelkey asked to be recused due to a prior employment conflict. Motion by Spencer to sign the letter provided by Garden. Second by Rosenblum. Approved by voice vote.

[24-3048-AN](#) 45-Day advance submission of Novus Brandon Solar LLC for a 150kW group net-metered solar array in Brandon, Vermont

RUTLAND REGIONAL PLANNING COMMISSION

Alex Bravakis from Novus Energy presented on a 150kW net-metered solar array. The location is off of Robert Wood Drive. The area is under an acre and is shrubby and will need to be cleared. The project was originally intended to be owned by the Town of Brandon. The project has received support from the Town as a preferred site. No impacts to prime agricultural soils. There regional plan does restrict forest clearing, but this area is within the industrial park and not considered a northern hardwood forest. Commissioner Schneider spoke in favor of the project and stated that the area is not fully forested. Bravakis is requesting letter designating a preferred site by the RRPC. Motion by Spencer to recommend to the full board signing the letter provided by Bravakis. Second by Rosenblum. Approved by voice vote.

[24-3028-AN](#) 45-day-advance submission of Boardman Storage, LLC for a 5 MW battery storage facility in W. Rutland, Vermont

Gildrien presented information on the 5MW battery storage facility on Boardman Hill in West Rutland. The project is not located on prime agricultural soils and is near a transmission line. Motion to recommend to the full board
Motion by Rosenblum to take no action. Second by Spencer. Approved by voice vote.
